- Remarks
- This curriculum summary was formulated based on the University Law and the Academic Regulations of Hsing Wu University and it was reviewed and passed by the School Curriculum Committee on April 12th, 2022.
 - This department's curriculum design is a four-year program. Students in this department must pass 128 credits in total in order to meet the graduation requirements, including the completion of 44 credits of required courses and 4 selective courses on General Education, and the completion of 48 credits and 36 credits of required professional courses.
 - When taking courses in both the fall and spring semesters, passing grades are required for both semesters to count towards graduation credits.
 - The "Elective Courses" listed in this table are offered based on the department's discretion and may vary.
 - General elective courses cannot be counted towards graduation credits.
 - For information on general courses, please refer to the General Education Center course catalog.
 - If students have not achieved the B2 level of Chinese language certification before graduation, they may participate in remedial or counseling courses offered by the Chinese Language Center.
